ONE OF THOSE DAYS (Marc Hoffman) Key of E

E A E A E A C7 B7 Bb7 A7 F#7 B7 E B9

- 1. Well did you ever have one of those days A million things to do and your mind is in a haze You're tryin' to convince yourself it's just a phase Well did you ever have one of those days?
- 2. And did you ever have one of those nights
 You think you'll never get to sleep and then you're out like a light
 Til three in the morning when all your systems ignite
 Well did you ever have one of those nights?

Chorus:

Δ

Well I'm not explainin' who what when or why

A

I'll just be wise and keep it concise

A E C#7

And I'm not complainin' but could you certify that some

D9 C# C9 B9

Crazy things could happen, once or twice? Now did you

3. (Now did you) ever have one of those lives You're tryin' to coast in neutral but you're stuck in overdrive, you're either Soaring to the stars, or in a nosedive Now did you ever have one of those lives

(guitar solo on chorus form)

(Now did you) ever have one of those lives
You're tryin' to coast in neutral but you're stuck in overdrive, your either
Soaring to the stars, or in a nosedive C#9
Now did you ever have one of those lives (oh yeah!) well did you
Ever have one of those nights (un huh!) yes did you
F#7 (walk bass up) B7 E7
Ever have one of those days?
